

Toledo Public Schools is proud to offer a **Tyler's Travel Pass** to developmentally disabled community members. To be eligible, someone must live within the TPS district and hold identification from the Lucas County Board of Developmental Disabilities.

The Tyler's Travel Pass provides the holder with **free admission** to all TPS home athletic events (excluding All-Star games, City League Championships or state tournaments), as well as plays and musical performances at TPS schools by TPS performers. Pass holders need only show their card to gain entrance to the event.

Pass holders are encouraged to contact the high school directly to make special accommodations for seating.

For more information or to request a Tyler's Travel Pass, call the Lucas County Board of Developmental Disabilities at 419-380-4000.

The Tyler's Travel Pass is named after Tyler Wiley, a 2011 Rogers High School graduate and a devoted fan of TPS athletics and other events.
