

Governor Mike DeWine announced on Monday, March 30, that he has extended the mandatory closure of all PreK-12 schools in the state of Ohio through at least Friday, May 1, 2020. As we continue to provide assignments and educational support to our students, Toledo Public Schools has scheduled the following days for pickup of the next set of student Learning Packets.

Parents and students can pick up assignments from 11 a.m. until 2:30 p.m. on the following dates and at the following locations. We are asking parents and students to follow the schedule as much as possible to make sure we can practice proper social distancing. This plan allows for easy traffic flow and limits the number of staff members working at one time and the number of schools that need to be open.
