

ClassLink Quick Guide

launchpad.classlink.com/toledo

What is ClassLink?

ClassLink is a “one stop shop” for programs that students and teachers use while at school. It provides single sign on for each program that is on their personalized dashboard. ClassLink is available while at school or at home.

How does my child access ClassLink?

Use any web browser and use the URL launchpad.classlink.com/toledo. Your child will log into ClassLink with their TPS Google account.

My Apps

The My Apps screen is where most of your online resources will be located.
