

# Students Working with Kami

## Using Kami with a Google Classroom Assignment

1. Begin in your Google Classroom
2. Open an assignment with a PDF attachment
3. Click on the PDF located in the box in the upper right corner of the classroom window, titled **Your work**.
4. In the window that opens, click on the drop down arrow next to **Open with**
5. Choose **Annotate with Kami**

6. The Kami extension will launch in a new tab across the top of the browser window
7. You may see a message like this:

if so, click **Authorize Google Drive**

8. Once your PDF opens in the Kami extension, use the available tools such as Markup, Textbox, or Drawing to complete your assignment
9. When you are finished working on your assignment and ready to turn

it in, click on the Save icon  and a drop down menu will

be available. Select .

10. Once you have saved your work on the PDF, go back to your Google Classroom by clicking on the tab at the top of your screen that shows the name of the assignment

11. Once you are back in your Google Classroom assignment window, click the **Turn in** button to let your teacher know the assignment is ready for review.
