

# MARCH TO YELLOW

The district has announced plans that it will be switching from Red Light status to Yellow Light status, starting in mid October.

This means students will attend school for in-person instruction two days a week and online learning two days during the week. Students will be divided into A and B groups, with the A group in their

classrooms on Mondays and Thursdays and the B group attending Tuesdays and Fridays.

Wednesdays will continue to be an intervention day for students and their teachers.

All social distancing and other safety protocols WILL BE enforced for both students and staff members.

## THE TIMELINE FOR STUDENTS TO RETURN TO SCHOOL IS AS FOLLOWS:

### MONDAY, OCTOBER 12:

All PreK through second grade students

### MONDAY, OCTOBER 26:

All third through twelfth grade students

Along with serving as an intervention day with students, Wednesday will be the day for TPS staff members to complete Professional Development. That day will also give the building cleaning crews the opportunity to deep clean all locations - beyond the sanitization that will take place during the day and after school hours.

This announcement will be made to the media today, as well as be shared with families through All Calls and the district's social media platforms.

*We appreciate your continued support of the district and for being #TPSProud*
