1 or 2 Days a Week Doesn't Seem Like Much but...

If your child misses...	That equals...	Which is...	And over 13 years of schooling that's
Half a day per week	20 days per year	1 month per school year	Almost 1.5 school years
One day per week	40 days per year	2 months per school year	Almost 2.5 school years
Two days per week	80 days per year	4 months per school year	Over 5 school years
Three days per week	120 days per year	Over half a school year	Almost 8 school years

We Are Proud to Recognize...

During April and May of last school year, students across the state took Ohio's State Tests for their appropriate grade levels. Below are our Raymer students who passed ALL sections! We commend them for their accomplishments. This year...we hope we can add many more names to this elite list.
