

BIRMINGHAM FRIDGE FACTS

Please put this on your Fridge so you have a resource for important items

Birmingham strives for students to be responsible, respectful and ready. We believe that communication is the key to a successful school year.

Responsible:

- Please work with the school and your student and if he/she needs his/her assignment book or folder signed, please do so. This is a great step to strengthening responsibility
- If a student is given a Trojan Telegram, please read it, discuss with your student and sign it. This is a quick form of communication between the teachers and you. If a student does not return this, they can be assigned a before or after school detention.
- TPS Elementary Schools do follow a dress code. It is available on the website, but please note that **ripped pants, leggings/yoga pants, hoodies** (unless it is a school related one) and print shirts (unless school related) are prohibited.

Respectful

- Students are expected to be respectful to other students, staff and teachers.
- Birmingham has a focus on Positive Behavior and students can collect Trojan Tickets to win prizes
- Teachers have charts in their classrooms, where students can 'be on blue or purple meaning they have a great day!

Ready

Having assignments, paperwork and in uniform every day shows us that students are ready to have a great day!
