Beverly 1st through 8th grade pick up of materials

- Teachers and other staff members will go to designated areas around the outside of the building, utilizing tables or cars, and distribute books, consumables, and other supplies. This will take place on Monday August 31st from 12:00-3:00 PM, Tuesday 10:00AM -1:00 PM, and Tuesday evening from 5:00 PM - 7:00 PM.

- Cars will enter the Detroit side of the building, just like a normal morning drop off and immediately pick up forms that need to be filled out. We are asking parents to bring a few pens, and something to write on, so they can fill out forms as they wait to get their materials. They will drive around the parking lot as they normally would (see map). Then parents will drive out onto Detroit Avenue and turn right on Glanzman and pull into the parking lot. There they will be asked a series of questions, fill out forms, and receive a Chromebook for their child(ren) that do not currently have one. We ask that if parents already have a privately owned Chromebook/laptops/desktop computers that their child can use, that they do not take one, so we can make sure everyone has a device. We will also have to check to see if your family already has a Chromebook device. If you have a device that does not work, please bring it in at this time.

- Teachers have been calling parents to set up Google Meet with them from August 31 to September 4th.

- If you have not had your student’s homeroom teacher from Beverly call you yet. Please call (419)671-2600 to schedule a pick up and Google Meet time.

- Materials for students that are at the Virtual Academy will be distributed at a later time and place. Virtual Academy questions for PK-6 go to vjohnson@tps.org and 7-12 to adaunhau@tps.org We are not associated with their school.
