 - IPR (Interim Progress Reports) or Midterms are sent home at the conclusion of the 4th week of each quarter.

ARRIVAL & DISMISSAL

We encourage students to walk to and from school for their health and the environment.

- Please remember we are an elementary school. Patience at arrival and dismissal is encouraged and appreciated!
- Please remind your student that they should ALWAYS cross the street at a corner and only cross when the light indicates “walk”.
- Also remind them to make sure cars are stopped before walking with the light.
- Students should be dressed to brave the elements ~ wind, snow, rain and cold.

Arrival

As school doors/ hallway access is not open until 8:50 am (breakfast at 8:30 am), students should not arrive early as they will be waiting outside until the bell rings (unless it is extremely cold weather, severe wind chill, etc.)

- If walking is not an option, when students are dropped off in the

morning, please be EXTREMELY CAUTIOUS in the center lane!!

- Please do not allow students to exit the vehicle on the driver side!! ALL students should use the passenger side only for entering and exiting to avoid the center lane vehicle traffic.

Your child should be independent enough to enter the building and go to their classroom alone.

- An exception is made for Kindergarten and 1st grade students for the first few weeks of school
- Staff members are stationed around the building to assist students as needed.
- Parents are encouraged not to walk their student to the classroom in the morning.
- Teachers are instructed to NOT hold parent-teacher conferences in the AM as they have students to supervise and the school day to prepare for. Your understanding with this is appreciated.

Students are considered tardy if they are not in their room at 9:00 am.

- BREAKFAST is not mandatory, but is STRONGLY ENCOURAGED. Breakfast is FREE.
- Students who eat breakfast enter the building at 8:30 and go directly into the cafeteria food line before finding a seat.
- Students who are not eating report directly to the gymnasium.

Dismissal

- Parents are asked to wait outside for their student(s)
- Please wait for teachers to arrive at staging before taking your student.
- The end of the day at an elementary school tends to become very busy. If your child needs to be released early, please do so before 2:45 p.m. and DO NOT do so on a regular basis as this goes against O.R.C. compulsory attendance laws.
- Please make sure your child knows where you will be meeting.
- If your plans change from the normal procedures, please notify the teacher via note/ agenda book; call the school office ONLY in the event of an emergency.
- Students who ride the bus to school are expected to ride the bus home from school. The ONLY exception is when parents send a WRITTEN NOTICE to the teacher. Also, please inform the bus driver in the morning if the student will not be riding home.
- Parents may pick students up using the faculty driveway loop off Eastbrook Dr. or the Plaza next to DeVeaux
- If you use the Sylvania entrance, you cannot block the turnabout loop. Please do not stop and block buses, they need to be able to

move freely. Parents may never park in the bus loading zone.

- Please do not walk down hallways, wait outside classroom doors, stand inside the vestibule, or block the exit area in any way at dismissal time. Parents should wait for their students in each classroom's staging area around the two hills by the flagpole.

Students MUST be picked up by 3:20 (there is no supervision after 3:25)

- Dismissal times are as follows:
 - 1st floor: 3:10
 - 2nd floor: 3:15

ATTENDANCE

Compulsory Attendance

All educable children between the ages of six and eighteen are compelled under Ohio law to attend school unless properly excused. In accordance with this and other Ohio law and the Ohio Board of Education Standards (cited below), the following policy prescribes the manner in which any child may be excused for past absence from school for good and sufficient reasons.

The following reasons are considered **EXCUSED** for elementary students by the State of Ohio:

- 1. Personal Illness:** Certification from a physician is required if student misses **more than 10 days** a school year;
- 2. Quarantine of the Home:** Notice by city, county, or state public health officials;
- 3. Death of an Immediate Relative: Three day limit** unless reasonable cause has been shown for a longer absence;
4. Observance of Religious Holidays
- 5. Emergency set of circumstances** which in the judgment of Superintendent of schools, constitutes a good and sufficient cause of absence from school. Such circumstance would include absence due to weather, other acts of God and labor stoppage.
- 6. Other circumstance-** Includes immunization or measles exclusion, dental and medical appointment, and public performance (school sponsored) during the school day may be excused by the principal.

***excused absences are still considered absences when considering 'perfect attendance'*

UNEXCUSED Absence:

- Unexcused absences are absences that do not meet the categories described above. Vacations outside of the school calendar are

unexcused absences. Make-up work for unexcused absences, suspensions, or expulsions is at the discretion of the teacher.

Excessive Absence:

- Students with excessive excused and unexcused absences shall be so identified and referred to the appropriate school personnel for a parent conference and/or attendance hearing.

Reporting Absences:

- In accordance with The Missing Children Act (April, 1985) parents are required to contact the school whenever a student is going to be absent from school.
- Call the school (**419-671-3200**) to report that your student will not be in attendance. When you call, please speak slowly and clearly. Include your name, your child's name, your child's teacher's name, the date, and the reason for the absence.
- When the child returns you must send a note explaining the absence, even if you called. Please send in a note and any medical documentation with your child upon their return to school.
- If the school does not receive a call and a note is not received upon your child's return to school, the absence will be unexcused.
- More than 10 absences requires a doctor's note. Students who are absent for 38 hours (6 days) of school in one month or 65 hours (10 days) in a school year, excused or unexcused is considered excessively truant. School districts are required to notify parents when your child reaches this threshold. If a student is absent for 30 hours unexcused (5 days) in a row, 42 hours unexcused in a month (7 days) or 72 hours unexcused (12 days) in a school year, they will be considered habitually truant from school. Once a student has met the threshold of habitually truant the school will form an Absence Intervention Team that should include the parent and staff members familiar with the student to create an absence intervention plan to help remove barriers to attending daily and on time.

Make Up Work:

- If the student, confined at home for a short period of time, is physically able to do some schoolwork, please make arrangements with his/her teacher. Please give the teacher at least ONE DAY'S NOTICE IN ORDER TO PREPARE WORK.
- Any student who is suspended or expelled shall be allowed to make up all work. If this work is unable to be made up due to labs etc. then the work can not be counted against the student and the student shall be held harmless.

Early Dismissal:

Please attempt to schedule all appointments outside of the school day. We know this is not always possible, therefore, if a student must leave the building during the school day for any reason, the person picking up the child must come into the office to sign the student out of the building.

- Please be prepared to show a picture ID when picking up the child.
- Please make sure other authorized persons know to also bring a picture ID.
- If you know in advance your student will need to leave early, please write a note to the teacher.
- Office personnel will call the student to the office from the classroom when the parent or designee ARRIVES to the office. DO NOT go to the classroom to pick up your student.
- Students will only be released to the parent or other authorized people on the emergency medical card. NO EXCEPTIONS.
- Please know that early dismissals negatively affect your child's attendance; and impacts 'perfect attendance'.
- No student will be allowed to leave the building without this procedure being followed.
- Children cannot be picked after 2:45pm during the school day

Dental and other Medical Appointments

- Try to make appointments outside the school day.
- When impossible to make appointments outside the school day, students must bring a note from home stating the time of the appointment and the time the parent wishes to pick him/her up.
- The absence will be excused upon return with a doctor's/dentist's slip to verify the appointment.
- Students are to be signed out in the office before leaving the building. (See procedure for Early Dismissal)

Tardy to School:

- In accordance with O.R.C. and TPS Board Policy, students must be to school on time (in class at 9:00AM).
- The acceptable excused absence criteria apply to tardy to school infractions.
- If students are tardy on a regular basis, the parent may be referred for Truancy Prevention Mediation with the Juvenile Division of Lucas County Courts or be referred for a hearing with TPS Pupil Personnel
-

- TPS firmly believes that the valuable information and interaction available on the internet is consistent with our district's educational goals.
- The internet is available to our students and teachers.
- TPS has taken precautions to restrict access to controversial materials by providing an internet filtering system. However, this does not excuse students from searching for inappropriate or non-educational sites; accessing inappropriate music, pictures, etc.
- **All students must have an internet network agreement signed by a parent/guardian on file.**

COMMUNICATION

We believe it is very important to have a strong line of communication between school and home.

- If you ever have any questions or concerns, please do not hesitate to contact the school to speak to the principal, Mr. Schade (rschade@tps.org).
- If you wish to contact the staff via email, please utilize the directory at www.tps.org.
- Parents: please be aware that the internet TPS security measures may place your email into a SPAM inbox. In the event that you do not receive a reply in a timely manner, please write a note/ call the school for follow up.

Classroom/Teacher :

We make every attempt to have an "open door" policy at DeVeaux Elementary. However, in order to ensure that all students are receiving the maximum amount of educational experience we can provide, it is not always possible to just stop by to visit the classroom or assist the teacher. Please understand that this creates an interruption to the classroom and the educational environment.

- As a reminder, when visiting a classroom, all guests must sign in at the main office.
- As the teacher is responsible for *all* of the children in the class, it is very difficult to have a conversation with a parent and supervise the students at the same time.
- If you would like to speak to the teacher regarding your student,

please write a note, call, or email your child's teachers to do so.

- Please do not attempt to have this type of conversation during student arrival and dismissal as the teacher needs to be focused on the safety of the students.
- Please be considerate of our Teacher's time/ family obligations (they are off-duty at 3:30PM)

- Building principals, assistant principals and counselors will be able to answer EHSO specific questions. Additionally, EHSO information is located on the TPS website.

FIELD TRIPS and IN SCHOOL EDUCATIONAL EXPERIENCES

Field trips and educational experiences are planned around specific educational objectives related to the school curriculum. Appropriate preparation and follow-up to ensure maximum utilization of the experience for learning is expected.

- Before deciding on any trip or educational experiences, the teacher, school principal and transformational leader will weigh anticipated educational outcomes against such factors as expenses, loss of class time, safety and availability of adequate supervision.
- The school must provide for adequate supervision.
 - Please note, due to the nature of chaperoning and helping supervise students, younger children/siblings are not able to attend in order for you to give your group your full attention and enjoy the time with your child and his/her classmates.
- Emergency Medical Authorization forms must be on file in order to participate.

HEALTH INFORMATION

Emergency Medical Authorization Forms:

- Each child will be given an Emergency Medical form at the beginning of the school year.
- Please provide at least one other name and telephone number of a person we may contact in the case of an emergency. This form must be on file for your student to participate in field trips.
- Please notify the office immediately if there are any changes to your contact information.
- Failure to provide/ update this information results in the safest decision for your student being made by the Teacher/ Staff Member

supervising the event.

Accidents

A trained staff member will administer initial treatments of minor injuries. The student's emergency contact will be notified immediately by phone whenever medical treatment is administered to a student. In such cases, it is especially crucial that the school has working phone numbers for students' parents and for alternate contacts in the event that a parent is unavailable. Please be diligent in keeping the school's records for your child up-to-date.

Family Educational Rights and Privacy Act; 20 USC 1232 g et seq.

U.S. Const. Art. I, Section

Adopted May 26, 2015

The District recognizes the importance of technology and the educational benefits available through the use of technology. The use of portable electronic devices in the classroom can add educational value when such devices deliver content and extend, enhance or reinforce the student learning process. Classroom teachers determine the appropriateness of in-class use of electronic devices, consistent with district instructional objectives, and with approval of the appropriate administrator.

All personal devices must be used in a responsible and legal manner.

Users using their own devices are subject to Board policies and procedures, including but not limited to the student code of conduct and to the applicable law. Failure to adhere to these guidelines may result in the revocation of the privilege to use personal electronic devices in the classroom and/or disciplinary action as appropriate.

Students are permitted to use approved personal electronic devices for educational purposes under the direction of a classroom teacher and appropriate administrator.

Student users using their own electronic devices may access only the wireless internet provided by the District. The District provided internet access is filtered in compliance with the Children's Internet Protection Act. Student internet access from outside sources is not permitted on school grounds in order to promote safe, filtered Internet access.

The District reserves the right to temporarily confiscate and inspect a student's personal electronic device if there is reason to believe the student has violated board policies, regulations, school rules, or has engaged in other misconduct while using their personal electronic device. If a staff member confiscates a student's device, he or she will not conduct the search of the phone, but must immediately turn the phone over to the administrator responsible for conducting a search of

the device. Any search will be conducted in compliance with board policies and applicable law. Any confiscated device will be returned to the student or the student's parent.

Users using a personal electronic device must comply with the following rules and procedures:

1. Users must abide by board policies and procedures, and student users are subject to all student code of conduct restrictions and disciplinary consequences relating to use or misuse of technology;
2. Users are responsible for ensuring the safety of their own personal devices. The District is not responsible for the loss or theft of a device, nor is the District responsible for any damage done to the device while at school.
3. During classroom time, users must use approved devices only for an educational purpose, and students may use approved devices only when directed by a classroom teacher or administrator.
4. During classroom time, student users must keep devices turned off when not directed to use them.
5. Users may only use devices for personal use during personal time, such as during lunch or between classes in the hallway.
6. Users may not use the camera feature to capture, record, or transmit audio, video or still photos of students, faculty or staff during school hours or at school events unless for educational purposes, and only with explicit written permission given by the subject of the photo or the video, and if the subject is a student with explicit written permission by the student's parent or guardian.
7. Users are not to use the device in a manner that is disruptive to the educational environment.
8. Users exhibiting hazing, harassing, intimidating behavior or found bullying through the use of a personal electronic device are subject to discipline under Board policies and procedures and applicable law.
9. Users are responsible for servicing their personal electronic devices. The District will not service, repair or maintain any non-district owned technology brought to and used at school by users.

BULLYING

Bullying is defined as intentional and persistent behavior that is carried out for the sole purpose of inflicting harm on another individual. Bullying occurs where there is a power imbalance, where one child has a hard time defending himself/herself. Bullying is a form of victimization. `

Bullying is:

- Intentional, on purpose
- Persistent, ongoing
- Main goal is to inflict harm or fear over another individual, to gain control or power over others
- Can be done physically, verbally, socially (emotional), or electronically
- Has profound impacts on the school climate and safety

Bully Reporting System:

Bullying must be reported for the school to address the problem.

If a child believes he/she is being bullied it is his/her responsibility to report the repeated incidents to an administrator or teacher. The school cannot address the problem if no one knows about the problem.

Bullying vs. Conflict:

Every push, shove, tease, and taunt does not equate to bullying situations.

Bullying differs from conflict primarily because “conflict involves antagonism among two or more people. Whereas any two people can have a conflict (disagreement or a fight), bullying occurs where there is a power imbalance, where one child has a hard time defending himself or herself.”

Bullying is a form of victimization, not to be confused with conflict.

Conflict occurs when there is hostility between two or more people, but then these people have equal power to solve the problem. A certain level of conflict is normal between students. Conflict can give your child an opportunity to learn how to handle everyday problems in a healthy way preparing for life. In fact, students need some conflict in their lives in order to better understand their own feelings, become empathetic, develop appropriate responses to difficult situation, work on anger management, and learn proper behavioral responses in sync with the time and place of the conflict.

DRESS CODE

The TPS District-Wide Dress Code will be in effect for the 2018-2019 school year.

- All students will be required to follow the dress code.
- Dress Code information can be found in student planners and at <http://www.tps.org/>
- Please make sure all school clothing follows the district wide dress code.
- If students are in violation of the dress code, they may be sent to the office where they will receive a consequence for the infraction and/or parent contacted to bring the appropriate clothing to school.

Common Dress Code Questions/ Clarifications:

Students are NOT allowed to wear/display the following:

- halter tops or any midriff-length shirts or blouses
- shirts with suggestive or obscene messages

SAFETY

Fire Drills and Evacuations

The school will have at least one fire drill per month within the school hours. Specific signals and procedures have been established for all types of disaster drills, and safety areas have been designated. Teachers are equipped with instructions, and all drills will be practiced with students on a regular basis. The entire school will practice weather and security lockdowns. During these drills, no one will be allowed to enter or leave the school. Please be patient and understanding of this important rule. Your child's safety is our number one concern.

Dogs & Other Pets:

Please leave your dog and other pets at home during drop off & pick up and other school related activities. Many students and adults are not comfortable around animals; or may have allergies.

Parking

It is imperative that the parking rules are followed in order to keep our students, staff and other community members safe.

- SLOW DOWN
- Please follow all posted parking signs at school as well as on side streets.
- The entrance/ exit on Sylvania Ave. is for Bus Pick-up and Drop-off
- Please do not allow students to exit the vehicle until the car stops at the curb.
- Please keep your car stereo volume DOWN while on campus so you and others can hear instructions and for safety

Safety Patrol:

Serving on the Safety Patrol is an honor. These students assume a great responsibility and serve in rain, snow and cold weather. Parents and students are asked to cooperate with the Safety Patrol.

Bicycles, skateboards, wheeled transportation

- Students may lock-up bicycles, etc. at the bike rack in front of the building.(at your own risk)
- Students are asked to walk their bicycles, etc. while on campus and while in student traffic during dismissal.
-

SMOKING

Smoking is not permitted on school grounds.

TELEPHONE USE (SCHOOL)

School telephones are for official school business and NOT for routine student use.

- Students need to know how they are getting home from school ***before*** they arrive each day.
- Do not tell your child to call home when they arrive at school to let you know they are here or to call home for a ride at the end of the day.

TITLE I

Parents Right to Know

As a parent/guardian with a student attending a Toledo Public School that receives Title I funds, you have the right to know the qualifications of your child's classroom teacher. The federal No Child Left Behind (NCLB) Act requires that any local school district receiving Title I funds must provide information to parents/guardians who ask about the professional qualifications of their child's classroom teacher. Please contact the principal for the information.

VISITORS

All visitors must report to the office upon entering the building, sign-in, and obtain a visitor's pass.

- Enter through the main doors (you may have to ring the buzzer on the wall).
- NEVER enter through any other door. NEVER ask a student/teacher to open any other door for you. This is against Toledo Public Schools safety protocol.
- Bring any forgotten school items (gym shoes, lunches, etc.) directly to the office.
- Please remember that interruptions take away from your child's educational time. As students are only at school for a small part of the day, students cannot be called out of class or class interrupted for non-emergency items.

District Policy (KK) On Visitors to the Schools

To maintain the safety of students and staff and to ensure that no unauthorized persons enter buildings, all visitors must first report to the main office to receive authorization to visit.

- *All visitors and employees must sign in and out. (Authorization is not needed for school programs, assemblies, graduation and athletic events.)*
- *The Board encourages parents and other citizens of the District to visit classrooms to observe the work of the schools and to learn what the schools are doing.*
- *Visits should be scheduled with the teacher, in advance, to avoid any unnecessary disruption to classroom instruction or activities.*

- *To encourage visits, principals and teachers may make special arrangements for visits by parents on certain days and occasions, and extend to them a general invitation to observe classrooms at any reasonable time, provided their visits do not interrupt instruction.*
- *Visits must be arranged 24 hours in advance.*
- *All participants and spectators of school programs, assemblies, graduations and athletic events are expected to abide by all applicable law, local ordinances, Board policies and District and building regulations pertaining to public conduct on District property.*
- *School principals and their designees are authorized to take appropriate action to prevent and remove, if necessary, unauthorized persons from entering District buildings and loitering on the grounds.*

VOLUNTEERING

Please make arrangements with the Teacher and /or Principal regarding an area that you are interested in assisting with.

- **Guidelines:**

All volunteers should sign into the volunteer/visitor book.

You may only go to the area indicated when signing in.

If you need to go somewhere else, please inquire in the office **prior** to going there.

Refrain from visiting classrooms unless invited.

Please refrain from personal conversations (including cell phone) in the hall as this distracts the students and the education process.

We teach our students to nod, smile, or do a quiet wave when they see someone they know. Please do this if you see your child or a familiar student.

District Policy (HICC) Regarding School Volunteers

The Board believes one of the greatest resources available may be found in the citizens of the community who have special knowledge and talents to contribute to the District. The use of citizens as volunteers within the school program enhances the educational process not only for students, but for the community as well. Volunteers may provide additional support in the classroom, promote community-school cooperation in facilitating the learning process and provide for individuals who have expertise in various

areas to be used as resource persons.

- *A volunteer is defined as anyone who is not employed by the District and comes into a school building for the expressed purpose of donating time and energy to benefit students.*
- *A volunteer will usually be interacting with students. Whenever a volunteer is on a school campus, the volunteer must wear, so that it is clearly visible, an identification badge. This badge is available in the main office of each school building.*
- *Recruitment and selection of volunteers is done at the local building level. Interested individuals should contact the building principal or his/her designee. The interests and abilities of the volunteers are considered when making assignments.*
- *Volunteers should not work with any student outside the presence of other students and adults. Volunteers may not displace any position in any job class covered by the Paraprofessional Agreement.*
- *Accountability for the program should include accurate record keeping at the individual building level via a sign-in and sign-out volunteer log. This log includes the volunteer's name, type of services to be provided and hours contributed. School buildings keep on file and maintain, for a minimum of three years, individual volunteer logs.*
- *The District notifies current and prospective volunteers who have or will have unsupervised access to students on a regular basis that a criminal records check may be conducted at any time.*

WEATHER RELATED & OTHER EMERGENCY SITUATIONS

Emergency Evacuation

DeVeaux Elementary has a site specific response plan in place in the rare event that it is necessary to evacuate the building.

- Students will be moved to a designated, secure location based upon our response plan. Students will remain there until the emergency situation is resolved.
- Students will ***not*** be released from the evacuation site.

School Closing and Delays for Inclement Weather

Toledo Public Schools has a School Delay policy when the weather is severe. This policy will allow TPS to delay two hours instead of closing right away to see if weather conditions improve enough for students to come to school. A 2 hour delay can change to a closing, so please keep watching the local news and listen to the radio.

When there is a 2 hour delay, the schedule moves 2 hours back. NO BREAKFAST

- Doors will open at 10:45 a.m. and end at the usual time.
- The information can be heard by listening to local TV, radio stations and social media.
- Do not call the school or drop off your student, as school personnel will not be in the building.
- It is a good idea to make childcare arrangements at the beginning of the year for delay situations so you are not caught off guard.

Severe Weather Procedures

- **Tornado Watch**- Precautions will be taken at school, but children will be dismissed at scheduled times and instructed to go directly home.
- **Tornado Warning**- Stations have been established in the building for each classroom. All children will be kept in protected areas until an all clear is sounded even if it is past the regular dismissal time.
 - Parents are discouraged from coming to school to pick up their children for the safety of both you and your child.

- Do not call the school. Telephone lines should be kept clear for emergency use.
