

The Stewart Scoop

We will continue collecting pull tabs for the Ronald McDonald House Charities through April 30, 2019. So, please keep collecting pull tabs and drop them off/send them to Ella P. Stewart Academy for Girls!

District Mission: Toledo Public Schools' mission is to produce competitive college and career ready graduates through a rigorous curriculum across all grade levels by implementing Ohio's New Learning Standards with fidelity.

District Vision: Toledo Public Schools strives to be an 'A-rated' school district whose graduates are college and career ready.

December 2018

It is with great joy that I send you Season's Greetings! Let me say what a privilege it is getting to know all of the new students and parents. The experience of working with outstanding educators, students, and dedicated parents is quite refreshing and stimulating at Stewart Academy.

THANK YOU for your support and please remember maintaining a safe and caring environment at Stewart Academy is my top priority as principal. Together we provide the best education possible. **THANK YOU** for choosing Ella P. Stewart Academy for Girls!

Please take time to enjoy your winter break with family and friends.

Ms. Quinn, Principal

Thank you for your pull tabs!

The winner of the 2018 Pull Tab Border Battle was  **THE Ohio State University with 45 pounds of pull tabs!**
University of Michigan  collected 6 pounds.

The real winners are each member of our TPS and Stewart Academy family that donated pull tabs to support the services of the Ronald McDonald House Charities. 

A special thank you goes to Diana Jones-Manley, Senior Director of Advanced Academics along with Amy Donaldson and Laura Smith at Glendale-Feilbach Elementary School for their generous pull tab contribution!

We will continue collecting pull tabs for the Ronald McDonald House Charities through April 30, 2019. So, please keep collecting pull tabs and drop them off/send them to Ella P. Stewart Academy for Girls!

Why Pull (Pop) Tabs?

- Pop tabs can help with the operating costs for the families
- Pop tabs are made with a different type of aluminum and can be recycled easier than pop cans
- Anyone can get pop tabs! Pop tabs are found on pop and energy drink cans, vegetable & soup cans, special diet food cans ... JUST ABOUT ANYWHERE!!!

'Tis the season of festivities and fun! Also the time of year we tend to see a higher incidence of strep throat, respiratory and gastrointestinal illnesses. The nurses would like to remind everyone that they can help to protect themselves and their families from many of these airborne illnesses.

Follow the Habits for Good Health listed below:

- **Cover your nose and mouth** with a tissue when you cough or sneeze—throw the tissue away after you use it. If you do not have a tissue, cover your mouth and nose with the inside of your elbow.
- **Wash your hands** often with soap and water especially after you cough or sneeze. If you are not near water, use an alcohol based hand cleaner.
- **Stay away as much as you can from people who are sick.**
- If you or your child gets the flu, stay home from work or school. Do not go near other people so that you don't make them sick too.
- **Try not to touch your eyes, nose, or mouth.** Germs often spread this way!
- **Dress for the weather.** Come to school dressed for the winter. Wear layers of loose fitting clothing. Wear a winter coat, scarf, mittens or gloves, and a hat.
- Please note that children who have a fever or who need to take antibiotics for infections such as strep throat, conjunctivitis, ear infections, etc., should stay home until they have taken the medicine for at least 24 hours, and are fever free (without fever reducing medicine).
- When children return to their normal sleeping and eating habits they are usually well enough to return to school. Please note that your child should come to school feeling well enough to participate fully in all school program activities including going outside in the winter.
- Students are required to provide a note for all absences and a doctor's note for excused absences.
- Keep you and your family healthy, get plenty of rest, make healthy food choices and exercise...these are ways to boost your immune system and stay healthy.
