** In 4th grade, we use tables instead of desks. Supplies are kept on each table in an organizer so that the students at that table have access to everything they need. We try to encourage sharing and kindness in this way. There is no need to put your child’s name on any of the items in this section. Thank you for helping support our 4th grade kindness mission.

*** These items belong only to your child and should have your child’s name on the inside cover. We have labels that will go on the outside that are provided once the year begins.

*** Please get the supplies for your boy or girl. These items are used by the class for various activities as well as to keep tables sanitary. No name is required on these items (except t-shirt).

Please bring all times to Open House so that we can get them checked in and put away. Thanks!
