

Reynolds Elementary School: A Community Hub

Whole Child • Whole Family • Whole Community

**STUDENT/PARENT HANDBOOK
2018-2019**

WELCOME LETTER

Dear Parent or Guardian,

Welcome to Reynolds Elementary School: A Community Hub. Originally built in 1961, the school is named after Stanley A. Reynolds who was a school board member for Adam's Township. The current structure was built in 2009 and boasts many upgrades in technology to keep our students current with the changing times. Our mascot is a rocket and our school colors are blue and white, though it is very common to see us wearing blue and yellow in honor of the University of Toledo.

Reynolds has been a community hub for 5 years. Being a community hub means we have extra support services within the school to assist students, families, and the community. Information about our extra support services will be sent home with your student.

This handbook has been prepared for you because we believe that good communication between school, parents, and students is a vital part of being successful in school. Please read it over and retain a copy for future reference. We look forward to a productive and positive school year. Thank you for choosing Reynolds to provide an excellent education to your child.

Sincerely,
The Reynolds Staff

*Information in this handbook is subject to change. Please stay updated on current Toledo Public Schools Board of Education policies at <http://www.boarddocs.com/oh/tps/Board.nsf/Public>; and current news and information at <http://www.tps.org>.

ACADEMIC REPORTING

Formal parent/teacher conferences are scheduled once a year to facilitate open communication between parents and teachers regarding students' progress. Refer to the school calendar for specific dates.

Report Cards/Interim Progress Reports/Parent Teacher-Conference

- Report Cards are issued to the students at the close of the 1st, 2nd, 3rd, and 4th quarters.
- Quarter 1 report cards will be given to parents of students at Parent/ Teacher conferences.
- Kindergarten classes will hold conferences, but will not send home reports for 1st quarter.
- Please sign and return the grade card ENVELOPE each quarter. The copy of the grade card sent home is for the parents to keep.
- Grades K-8 report cards will be mailed each quarter.
- Interim Progress Reports or Midterms are mailed home after the conclusion of the 4th week of each quarter.

ARRIVAL & DISMISSAL

We encourage students to walk to and from school for their health and the environment. Please remember we are an elementary school. Patience at arrival and most especially at dismissal is encouraged and appreciated!

Please remind your student that they should ALWAYS cross the street at a corner and only cross when the light indicates "walk". Also remind them to make sure cars are stopped before walking. Students should be dressed to brave the elements ~ wind, snow, rain and cold.

Arrival

- As school doors/ hallway access is not open until 8:45 am (breakfast at 8:30 am), students should not arrive early as they will be waiting outside until the bell rings.
- If walking is not an option, when students are dropped off in the morning, please be EXTREMELY CAUTIOUS in the center lane. Please do not allow students to exit the vehicle on the driver side. ALL students should use the passenger side only for entering and exiting to avoid the center lane vehicle traffic.
- Parents are encouraged not to walk their student to the classroom in the morning. Your child should be independent enough to enter the building and go to their classroom alone. (An exception is made for Kindergarten and 1st grade students for the first two weeks of school.) Staff members are stationed around the building to assist students as needed.
- Teachers are instructed to NOT hold parent-teacher conferences in the morning as they have students to supervise and the school day to prepare for. Your understanding with this is appreciated.
- Students are considered tardy if they are not in their room at 9:00 am.
- BREAKFAST is NOT mandatory, but is STRONGLY ENCOURAGED. We do have ALL students report to the cafeteria between 8:30-8:45 for supervisory purposes (regardless of breakfast participation). Breakfast is FREE.

Dismissal

- Parents are asked to wait outside the main doors for their student(s). The blue lines are

designated staging areas for our classes. Please wait for teachers to arrive at staging before taking your student.

- The end of the day at an elementary school tends to become very busy. **IF your child needs to be released early, please do so before 2:45 pm (and DO NOT do so on a regular basis as this goes against O.R.C. compulsory attendance laws).** Please make sure your child knows where you will be meeting.
- If your plans change from the normal procedures, please notify the teacher via note/agenda book; **call the school office ONLY in the event of an emergency.**
- The Norwich Entrance/Exit labeled “Staff, Visitor, and Event Parking” is the ONLY parent pick-up/ drop-off option.
- Please do not walk down hallways and wait outside classroom doors at dismissal time. Please wait outside of the main entrance of the school.
- Students **MUST** be picked up by 3:30 (there is no supervision after 3:30)
- Dismissal times are as follows:
 - Grades K,1, 4,5,6 at 3:10 pm
 - Grades 2-3 at 3:15 pm
 - Grades 7-8 at 3:20 pm

ATTENDANCE

Compulsory Attendance

All educable children between the ages of six and eighteen are compelled under Ohio law to attend school unless properly excused. In accordance with this and other Ohio law and the Ohio Board of Education Standards (cited below), the following policy prescribes the manner in which any child may be excused for past absence from school for good and sufficient reasons.

The following reasons are considered **EXCUSED** for elementary students by the State of Ohio:

- 1. Personal Illness:** Certification from a physician is required if student misses **more than 10 days** a school year;
- 2. Quarantine of the Home:** Notice by city, county, or state public health officials;
- 3. Death of an Immediate Relative:** **Three day limit** unless reasonable cause has been shown for a longer absence;
- 4. Observance of Religious Holidays:** See Major Religious Holidays and Celebrations calendar (available on the internet)
- 5. Emergency Circumstances:** In the judgment of Superintendent of schools and constitutes a good and sufficient cause of absence from school. Such circumstance would include absence due to weather, other acts of God and labor stoppage.
- 6. Other circumstance-** Includes immunization or measles exclusion, dental and medical appointment, and public performance (school sponsored) during the school day may be excused by the principal.

*****excused absences are still considered absences when considering ‘perfect attendance’***

Unexcused Absence

- Unexcused absences are absences that do not meet the categories described above. Vacations outside of the school calendar are unexcused absences. Providing make-up work for unexcused absences, suspensions, or expulsions is at the discretion of the teacher. If no make-up work is provided, the student will be held-harmless (there will be NO effect on their grade).

Excessive Absence

- Students with excessive excused and unexcused absences shall be so identified and referred to the appropriate school personnel for a parent conference and/or attendance hearing.

Reporting Absences

In accordance with The Missing Children Act (April, 1985) parents are required to contact the school whenever a student is going to be absent from school.

- Call the school (**419-671-1501**) to report that your student will not be in attendance. When you call, please speak slowly and clearly. Include your name, your child's name, your child's teacher's name, the date, and the reason for the absence.
- If the school does not receive a call and a note is not received upon your child's return to school, the absence will be unexcused. Please send in a note and any medical documentation with your child upon their return to school.
- More than 10 absences require a doctor's note.
- Students who are absent for 38 hours (6 days) of school in one month or 65 hours (10 days) in a school year, excused or unexcused is considered excessively truant. School districts are required to notify parents when your child reaches this threshold. If a student is absent for 30 hours unexcused (5 days) in a row, 42 hours unexcused in a month (7 days) or 72 hours unexcused (12 days) in a school year, they will be considered habitually truant from school. Once a student has met the threshold of habitually truant the school will form an Absence Intervention Team that should include the parent and staff members familiar with the student to create an absence intervention plan to help remove barriers to attending daily and on time.

Make Up Work

- If the student, confined at home for a short period of time, is physically able to do some schoolwork, please make arrangements with his/her teacher. Please give the teacher at least **ONE DAY'S NOTICE IN ORDER TO PREPARE WORK**. If no make-up work is provided, the student will be held-harmless (there will be NO effect on their grade).
- Any student who is suspended or expelled shall be allowed to make up all work. If this work is unable to be made up due to labs etc then the work can not be counted against the student and the student shall be held harmless.

Early Dismissal

Please attempt to schedule all appointments outside of the school day. We know this is not always possible, therefore, if a student must leave the building during the school day for any

reason the person picking up the child must come into the office to sign the student out.

- Please be prepared to show a picture ID when picking up the child.
- Please make sure other authorized persons know to also bring a picture ID.
- If you know in advance your student will need to leave early, please write a note to the teacher.
- Office personnel will call the student to the office from the classroom when the parent or designee ARRIVES to the office. DO NOT go to the classroom to pick up your student.
- Students will only be released to the parent or other authorized people on the emergency medical card. NO EXCEPTIONS.
- Please know that early dismissals negatively affect your child's attendance; and impacts 'perfect attendance'.
- No student will be allowed to leave the building without this procedure being followed.
- **Children cannot be picked after 2:45pm during the school day**

Dental and other Medical Appointments

Rocket Pediatrics will be here once a week throughout the school year. We encourage our parents to sign up for their services so that students may see the doctor during the school day.

Try to make other appointments outside the school day. When impossible to make appointments outside the school day, students must bring a note from home stating the time of the appointment and the time the parent wishes to pick him/her up. The absence will be excused upon return with a doctor's/dentist's slip to verify the appointment. Students are to be signed out in the office before leaving the building. (See procedure for Early Dismissal)

Tardy to School

- In accordance with O.R.C. and TPS Board Policy, students must be to school on time (in class at 9:00 am). The acceptable excused absence criteria apply to tardy to school infractions. The progressive discipline policy for Unexcused Tardy to School infractions will result in an attendance hearing for parent/guardian.

BUSES

Yellow Bus Transportation

- Transportation is provided only to those students that live 1 mile or beyond from Reynolds; or for special needs students with a severe handicap. Transportation is NOT provided for Out of District approved students.
- Bus rules and expectations are defined by Transportation through each Bus Driver.
- Failure to comply with bus rules can result in suspension from the bus and/ or school discipline.
- If you would like to be sent text messages or have phone calls made when TPS Busing is running late you may sign up at the following website: <http://www.busbulletin.com/>

CAFETERIA

Lunch Program

- Lunch is FREE to all students.

- Students may bring a packed lunch from home. **No pop or glass containers.**
- Fast food is discouraged in the cafeteria.

Breakfast Program

- Breakfast is served daily from 8:30 – 8:50 a.m. (There is NO BREAKFAST during a 2HR Delay)
- Students should enter through the Main Entrance doors.
- Breakfast is FREE for ALL students.

*Menus will be sent home monthly and are available at www.tps.org

Cafeteria Expectations

- Students are expected to clean-up after themselves and assist as needed in order to keep Reynolds clean and beautiful.
- Enter and leave the cafeteria in a quiet and orderly fashion.
- Lights out indicates silence.
- Students are to stay in their seats/ in the cafeteria unless instructed otherwise by an adult.
- We discourage ‘trading’ or ‘sharing’ food or drink with anyone.
- ALL school rules and policies apply in the cafeteria.

CLASSROOM REQUESTS

- Teachers spend a considerable amount of time when creating class lists for the next school year. When preparing the lists, teachers look closely at academic abilities, special learning considerations and equal gender ratios for each classroom. A great deal of time is devoted to class assignments in order to provide a positive learning environment for the students. If parents desire to have a certain staff member for your child’s teacher, parents may request a particular teacher for students in the spring of each school year. The request must state a valid educational reason for the request, be dated, signed and turned into the office by the first Friday of May. Each properly completed request will be considered. No one is automatically guaranteed/granted a request. Toledo Public School policy must be adhered to when completing class lists.

COMPUTERS

- All students at Reynolds have access to computers for use in the classroom and for researching information. TPS firmly believes that the valuable information and interaction available on the internet is consistent with our district’s educational goals.
- The internet is available to our students and teachers.
- TPS has taken precautions to restrict access to controversial materials by providing an internet filtering system. However, this does not excuse students from searching for inappropriate or non-educational sites; accessing inappropriate music, pictures, etc.
- All students must have an internet network agreement signed by a parent/guardian on file.

COMMUNICATION

We believe it is very important to have a strong line of communication between school and home. If you ever have any questions or concerns, please do not hesitate to contact the school to speak to the principal, Mrs. Clark-Eagle (mclark-e@tps.org), or the assistant principal, Mr.

Hayes (whayes@tps.org).

If you wish to contact the staff via email, please utilize the directory at www.tps.org.

*Parents: please be aware that the internet TPS security measures may place your email into a SPAM inbox. In the event that you do not receive a reply in a timely manner, please write a note/ call the school for follow up.

Classroom/Teacher Visits

- We make every attempt to have an “open door” policy at Reynolds.
- However, in order to ensure that all students are receiving the maximum amount of educational experience we can provide, it is not always possible to just stop by to visit the classroom or assist the teacher. Please understand that this creates an interruption to the classroom and the educational environment. **As a reminder, when visiting a classroom, all guests must sign in at the main office AND the office must call teacher to receive approval from the teacher prior to the visit.**
- As the teacher is responsible for *all* of the children in the class, it is very difficult to have a conversation with a parent and supervise the students at the same time. If you would like to speak to the teacher regarding your student, please write a note, call, or email your child’s teachers to do so.
- Please do not attempt to have this type of conversation during student arrival and dismissal as the teacher needs to be focused on the safety of the students.
- Please be considerate of our Teacher’s time/ family obligations. Teachers are off-duty at 3:30 pm.

EHSO

The Early High School Opportunity (EHSO) program began in August 2011 for 7th and 8th grade TPS students. EHSO provides an opportunity for all 7th & 8th grade students to take one course for graduation credit at their learning community high school. Students are transported from their home elementary school at the scheduled pick up time (times range from 6:40 a.m.- 7:30 a.m.) to the high school for first period (8:00-8:50) and returned to their home elementary school after their first period EHSO course ends. Students may also be dropped off or walk to

their High School for EHSO. EHSO begins on the Monday of the first full week of school. Students need to have the following documents completed in order to participate in the program:

- Completed High School Choice Card
- Completed EHSO Emergency Medical Card
- Completed EHSO Contract with parent and student signatures

There are two Tiers to the EHSO program.

	Eligibility Requirements	Course Student Can Take
Tier ONE	<ul style="list-style-type: none"> • None-Open to all 7th & 8th graders 	Band, Choir or Orchestra
Tier TWO	<ul style="list-style-type: none"> • 3.0 GPA • Proficient or Above on State Required Reading and Math Assessments • Fewer than 12 absences 	Band, Choir, Orchestra, High School specific electives. 8 th grade students may take Algebra 1

Paperwork for EHSO is due by the end of May in order to complete transportation routing from Elementary to High School. Deadline for students new to district is the Friday of the first full week of school. Students are not permitted to enroll in EHSO after this deadline, with the exception of transferring students who were enrolled in the same class/similar program. Building principals, assistant principals and counselors will be able to answer EHSO specific questions. Additionally, EHSO information is located on the TPS website.

FIELD TRIPS and IN SCHOOL EDUCATIONAL EXPERIENCES

- Field trips and educational experiences are planned around specific educational objectives related to the school curriculum. Appropriate preparation and follow-up to ensure maximum utilization of the experience for learning is expected.
- Before deciding on any trip or educational experiences, the teacher, school principal and transformational leader will weigh anticipated educational outcomes against such factors as expenses, loss of class time, safety and availability of adequate supervision. The school must provide for adequate supervision.
- Please note, due to the nature of chaperoning and helping supervise students, younger children/siblings are not able to attend in order for you to give your group your full attention and enjoy the time with your child and his/her classmates.
- Emergency Medical Authorization forms must be on file in order to participate.
- Students with a history of disciplinary problems may be excluded from field trips (**Board Policy IICA**). School staff is expected to let parents/guardians know in advance the reasoning for a student to not participate in any school field trip. All expectations to attend the field trip must be placed in writing to the parent/guardian 2 weeks prior to the date of the trip. The parent/guardian must sign these expectations as acknowledgment of understanding. If a parent/guardian does not provide a signature, the student will not be allowed to attend the trip.

- A parent or guardian MAY agree to supervise them during the entire field trip so that the student may participate. School personnel will attempt to notify the parent /guardian of any potential exclusion by phone 5 school days prior to the field trip. A letter will also be mailed 5 school days prior to the field trip.

HEALTH INFORMATION

Nurse

- Acts as the liaison between school, home, parents, and doctors.
- Inform the nurse about any medical conditions, including allergies or of any medications or changes in meds throughout the year.
- Inform the nurse of *all medications* your student is taking at home as well as at school.
- Nurse Ryan is available daily.

Emergency Medical Authorization Forms

- Each child will be given an Emergency Medical form at the beginning of the school year.

- Please notify the office immediately if there are any changes to your contact information.
- Failure to provide/ update this information will result in the safest decision for your student being made by the Teacher/ Staff Member supervising the event.

Medication

- Over the counter (OTC) medications are not permitted in school. *This includes cough drops, eye drops, Neosporin, etc.*
- When a student is so ill that medication is required, parents should consider keeping the student home until the need for medication is gone. Parents should also talk with their child's doctor to see if the medication schedule can be adjusted so medicine can be taken outside school hours.
- A ***Medication Dispensing Authorization Form*** must be on file in the nurse's office. Both the doctor prescribing the medication and the parent/guardian of the student must sign this form.
- A new form must be completed each school year or whenever there is a change in the medication or dose.
- Medication must be brought to school by the parent or guardian (or their designee) in the original container and cannot be transported to or from school by any elementary student.
- Inform the nurse of all medications your student is taking at home as well as at school.

Accidents

A trained staff member will administer initial treatments of minor injuries. The student's emergency contact will be notified immediately by phone whenever medical treatment is administered to a student. In such cases, it is especially crucial that the school has working phone numbers for students' parents and for alternate contacts in the event that a parent is unavailable. Please be diligent in keeping the school's records for your child up-to-date.

Immunizations

The State of Ohio law (ORC 3313.67 and 3313.671) requires the following immunizations for school attendance. The school must have written proof from a health care provider that the immunizations are complete or in the process of completion. LIBRARY BOOKS, FEES, FINES, & RETURNS

Please help your student keep track of their library books if they come home.

While Reynolds library does not charge overdue daily fines for unreturned books like a public library, we do charge a replacement cost if a book is lost. Library overdue notices go home regularly with your student as a reminder to return their book. Additional books cannot be checked out until others are turned in.

LOST & FOUND

If your child has lost an item, the lost and found is located in the hallway by the cafeteria. Please remember to label *all* of your child's items so if they are misplaced they can be returned to their rightful owner.

PARENT PARTICIPATION

PTO - (Parent Teacher Organization). We have a very active parent group that is looking forward to a productive year. Many opportunities are available for parents to get involved at Reynolds. Positive parental involvement aids our students in many ways. PTO meets in the school library at 8:45 am the third Wednesday of the month. Our current PTO President is Ashley Collier.

U.S. Const. Art. I, Section

Adopted May 26, 2015

The District recognizes the importance of technology and the educational benefits available through the use of technology. The use of portable electronic devices in the classroom can add educational value when such devices deliver content and extend, enhance or reinforce the student learning process. Classroom teachers determine the appropriateness of in-class use of electronic devices, consistent with district instructional objectives, and with approval of the appropriate administrator.

All personal devices must be used in a responsible and legal manner. Users using their own devices are subject to Board policies and procedures, including but not limited to the student code of conduct and to the applicable law. Failure to adhere to these guidelines may result in the revocation of the privilege to use personal electronic devices in the classroom and/or disciplinary action as appropriate.

Students are permitted to use approved personal electronic devices for educational purposes under the direction of a classroom teacher and appropriate administrator.

Student users using their own electronic devices may access only the wireless internet provided by the District. The District provided internet access is filtered in compliance with the Children's Internet Protection Act. Student internet access from outside sources is not permitted on school grounds in order to promote safe, filtered Internet access.

The District reserves the right to temporarily confiscate and inspect a student's personal electronic device if there is reason to believe the student has violated board policies, regulations, school rules, or has engaged in other misconduct while using their personal electronic device. If a staff member confiscates a student's device, he or she will not conduct the search of the phone, but must immediately turn the phone over to the administrator responsible for conducting a search of the device. Any search will be conducted in compliance with board policies and applicable law. **Any confiscated device will be returned to the student or the student's parent.**

Users using a personal electronic device must comply with the following rules and procedures:

1. Users must abide by board policies and procedures, and student users are subject to all student code of conduct restrictions and disciplinary consequences relating to use or misuse of technology;
2. Users are responsible for ensuring the safety of their own personal devices. The District is not responsible for the loss or theft of a device, nor is the District

- responsible for any damage done to the device while at school.
3. During classroom time, users must use approved devices only for an educational purpose, and students may use approved devices only when directed by a classroom teacher or administrator.
 4. During classroom time, student users must keep devices turned off when not directed to use them.
 5. Users may not use the camera feature to capture, record, or transmit audio, video or still photos of students, faculty or staff during school hours or at school events unless for educational purposes, and only with explicit written permission given by the subject of the photo or the video, and if the subject is a student with explicit written permission by the student's parent or guardian.
 6. Users are not to use the device in a manner that is disruptive to the educational environment.
 7. Users exhibiting hazing, harassing, intimidating behavior or found bullying through the use of a personal electronic device are subject to discipline under Board policies and procedures and applicable law.
 8. Users are responsible for servicing their personal electronic devices. The District will not service, repair or maintain any non-district owned technology brought to and used at school by users.

Bullying

Bullying is defined as intentional and persistent behavior that is carried out for the sole purpose of inflicting harm on another individual. Bullying occurs where there is a power imbalance, where one child has a hard time defending himself/herself. Bullying is a form of victimization.

Bullying is:

- Intentional, on purpose
- Persistent, ongoing
- Main goal is to inflict harm or fear over another individual, to gain control or power over others.
- Can be done physically, verbally, socially (emotional), or electronically
- Has profound impacts on the school climate and safety

Bully Report Box/Reporting System

Bullying must be reported for the school to address the problem.

Reynolds has a Bully Report Box by the counselor's office. Report Forms can be obtained from the box, the classroom teacher, or the office. The completed report form can be returned by placing it in the locked portion of the Bully Report Box, giving it back to the teacher, or returning it to the office. At Reynolds we do this to offer students an easy way to report bullying. The Bully Report Box will be checked daily. If a child believes he/she is being bullied it is his/her responsibility to report the repeated incidents to an administrator or teacher or use the bully box. The school cannot address the problem if no one knows about the problem.

Bullying Versus Conflict

Every push, shove, tease, or taunt does not equate to bullying. Bullying differs from conflict primarily because "conflict involves antagonism among two or more people. Whereas any two

people can have a conflict (disagreement or a fight), bullying occurs where there is a power imbalance, where one child has a hard time defending himself or herself.” Bullying is a form of victimization, not to be confused with conflict. Conflict occurs when there is hostility between two or more people, but then these people have equal power to solve the problem. A certain level of conflict is normal between students. Conflict can give your child an opportunity to learn how to handle everyday problems in a healthy way preparing for life. In fact, students need some conflict in their lives in order to better understand their own feelings, become empathetic, develop appropriate responses to difficult situation, work on anger management, and learn proper behavioral responses in sync with the time and place of the conflict.

Dress Code

The TPS District-Wide Dress Code will be in effect for the 2018-2019 school year. All students will be required to follow the dress code.

- Please see the appendix for dress code information.
- Dress Code information can also be found at <http://www.tps.org/>
- Please make sure all school clothing follows the district wide dress code.
- If students are in violation of the dress code, they may be sent to the office where they will receive a consequence for the infraction and/ or parent contacted to bring the appropriate clothing to school.

Common Dress Code Questions/Clarifications

Students are NOT allowed to wear/display the following:

- halter tops or any midriff-length shirts or blouses
- shirts with suggestive or obscene messages
- shirts that promote alcohol, drug, or tobacco usage
- short skirts
- short shorts
- spandex shorts or spandex stretch pants
- pajama bottoms
- flip flops
- No hoodies or hats to be worn in the building
- No high-heels, house-shoes, or slippers

SAFETY

Fire Drills/Evacuations

The school will have at least one fire drill per month within the school hours. Specific signals and procedures have been established for all types of disaster drills, and safety areas have been designated. Teachers are equipped with instructions, and all drills will be practiced with students on a regular basis. The entire school will practice weather and security lockdowns. During these drills, no one will be allowed to enter or leave the school. Please be patient and understanding of this important rule. Your child’s safety is our number one concern.

Dogs & Other Pets

Please leave your dog and other pets at home during drop off & pick up and other school related

activities. Many students and adults are not comfortable around animals; or may have allergies.

Parking

It is imperative that the parking rules are followed in order to keep our students, staff and other community members safe.

- SLOW DOWN
- Please follow all posted parking signs at school as well as on side streets.
- Please do not allow students to exit the vehicle until the car stops at the curb.
- Please keep your car stereo volume DOWN while on campus so you and others can hear instructions and for safety.

Safety Patrol

Serving on the Safety Patrol is an honor. These students assume a great responsibility and serve in rain, snow and cold weather. Parents and students are asked to cooperate with the Safety Patrol.

Bicycles, Skateboards, Wheeled Transportation

Students may lock-up bicycles, etc. at the bike rack in front of the building. (at your own risk) Students are asked to walk their bicycles, etc. while on campus and while in student traffic during dismissal.

SMOKING

Smoking is not permitted on school grounds.

TELEPHONE USE (SCHOOL)

School telephones are for official school business and NOT for routine student use. Students need to know how they are getting home from school *before* they arrive each day. Do not tell your child to call home when they arrive at school to let you know they are here or to call home for a ride at the end of the day.

TITLE I

Parents Right to Know

As a parent/guardian with a student attending a Toledo Public School that receives Title I funds, you have the right to know the qualifications of your child's classroom teacher. The federal No Child Left Behind (NCLB) Act requires that any local school district receiving Title I funds must provide the following information to parents/guardians who ask about the professional qualifications of their child's classroom teacher:

- Whether the teacher has met the Ohio teacher licensing criteria for the grade level and subject areas in which the teacher provides your child instruction.
- Whether the teacher is teaching under an emergency or temporary status that waives state licensing requirements.
- The undergraduate degree major of the teacher and any other graduate degree or certification (such as National Board Certification) held by the teacher and the field of discipline of certification or degree.
- Whether your child is provided services by instructional paraprofessionals and, if so, their qualifications.

All requests must be made in writing and should include the following information: student's full name, legal parent/guardian's full name, address, city, state, zip code, and the teacher's name. Your request can be sent to the Toledo Board of Education, Human Resources Department, 1609 N. Summit Street, Toledo, Ohio 43604.

VISITORS

- All visitors must report to the office upon entering the building, sign-in, and obtain a visitor's pass. The pass will have the approved visit location. If you want to go to a different location, you must get a new visitor pass from the office.
- Bring any forgotten school items (gym shoes, lunches, etc.) directly to the office.
- Enter through the main doors (you may have to ring the buzzer on the wall). NEVER enter through any other door. NEVER ask a student/ teacher to open any other door for you. This is against Toledo Public Schools safety protocol.
- Please remember that interruptions take away from your child's educational time. As students are only at school for a small part of the day, students cannot be called out of class or class interrupted for non-emergency items.
- Classroom visits and conferences must be arranged with the teacher prior to arriving to the school. We value your child's learning time. Conferences with teachers need to be scheduled at a time when the teacher does not have other responsibilities.
- If you see or hear a student do or say things that are obviously inappropriate, let the teacher or school staff know who the students are and what they did. Please do not attempt to correct the problem yourself.
- If there is a school problem, refer it to someone on the school staff. It is our job to solve school problems.

District Policy (KK) On Visitors To the Schools

To maintain the safety of students and staff and to ensure that no unauthorized persons enter buildings, all visitors must first report to the main office to receive authorization to visit. All visitors and employees must sign in and out. (Authorization is not needed for school programs, assemblies, graduation and athletic events.) The Board encourages parents and other citizens of the District to visit classrooms to observe the work of the schools and to learn what the schools are doing. Visits should be scheduled with the teacher, in advance, to avoid any unnecessary disruption to classroom instruction or activities.

To encourage visits, principals and teachers may make special arrangements for visits by parents on certain days and occasions, and extend to them a general invitation to observe classrooms at any reasonable time, provided their visits do not interrupt instruction. Visits must be arranged 24 hours in advance.

All participants and spectators of school programs, assemblies, graduations and athletic events are expected to abide by all applicable law, local ordinances, Board policies and District and building regulations pertaining to public conduct on District property.

School principals and their designees are authorized to take appropriate action to prevent and remove, if necessary, unauthorized persons from entering District buildings and loitering on the grounds.

VOLUNTEERING

- Please make arrangements with the Teacher and /or Principal regarding an area that you are interested in assisting with.
- All volunteers should sign into the volunteer/visitor book.

- You may only go to the area indicated when signing in.
- If you need to go somewhere else, you must receive permission in the office *prior* to going there.
- Refrain from visiting classrooms unless invited.
- Please refrain from personal conversations (including cell phone) in the hall as this distracts the students and the education process.
- We teach our students to nod, smile, or do a quiet wave when they see someone they know. Please do this if you see your child or a familiar student.

District Policy (IICC) Regarding School Volunteers

The Board believes one of the greatest resources available may be found in the citizens of the community who have special knowledge and talents to contribute to the District. The use of citizens as volunteers within the school program enhances the educational process not only for students, but for the community as well. Volunteers may provide additional support in the classroom, promote community-school cooperation in facilitating the learning process and provide for individuals who have expertise in various areas to be used as resource persons.

- A volunteer is defined as anyone who is not employed by the District and comes into a school building for the expressed purpose of donating time and energy to benefit students. A volunteer will usually be interacting with students.
- Whenever a volunteer is on a school campus, the volunteer must wear, so that it is clearly visible, an identification badge. This badge is available in the main office of each school building.
- Recruitment and selection of volunteers is done at the local building level. Interested individuals should contact the building principal or his/her designee. The interests and abilities of the volunteers are considered when making assignments.
- Volunteers should not work with any student outside the presence of other students and adults. Volunteers may not displace any position in any job class covered by the Paraprofessional Agreement.
- Accountability for the program should include accurate record keeping at the individual building level via a sign-in and sign-out volunteer log. This log includes the volunteer's name, type of services to be provided and hours contributed. School buildings keep on file and maintain, for a minimum of three years, individual volunteer logs.
- **District Policy (GBQ):** The District notifies current and prospective volunteers who have or will have unsupervised access to students on a regular basis that a criminal records check may be conducted at any time.

WEATHER RELATED & OTHER EMERGENCY SITUATIONS

Emergency Evacuation

Reynolds has a site specific response plan in place in the rare event that it is necessary to evacuate the building.

- Students will be moved to a designated, secure location based upon our response plan. Students will remain there until the emergency situation is resolved.
- Students will *not* be released from the evacuation site.

School Closing and Delays for Inclement Weather

Toledo Public Schools has a School Delay policy when the weather is severe. This policy will allow TPS to delay two hours instead of closing right away to see if weather conditions improve enough for students to come to school. A 2 hour delay can change to a closing, so please keep watching the local news and listen to the radio.

When there is a 2 hour delay, the schedule moves 2 hours back. **NO BREAKFAST**

- Doors will open at 10:45 a.m. and end at the usual time.
- The information can be heard by listening to local TV, radio stations and social media.
- Do not call the school or drop off your student, as school personnel will not be in the building.
- It is a good idea to make childcare arrangements at the beginning of the year for delay situations so you are not caught off guard.

Severe Weather Procedures

- **Tornado Watch**- Precautions will be taken at school, but children will be dismissed at scheduled times and instructed to go directly home.
- **Tornado Warning**- Stations have been established in the building for each classroom. All children will be kept in protected areas until an all clear is sounded even if it is past the regular dismissal time.
 - Parents are discouraged from coming to school to pick up their children for the safety of both you and your child.
 - Do not call the school. Telephone lines should be kept clear for emergency use.
