MASTER SERVICES AGREEMENT**

This **MASTER SERVICES AGREEMENT** (“MSA” or “Agreement”) shall begin on the Effective Date, as defined in Section 2 below, by and between The Board of Education of the Toledo City School District (“TPS”), a public school district under the laws of the State of Ohio and **VENDOR**, a Corporation organized under the laws of the state of Ohio having its principal place of business at **VENDOR ADDRESS**. (“Company”).

1. ENGAGEMENT AND STATEMENTS OF WORK.

TPS engages Company to continue to perform district wide waste disposal, which may include the provision of certain deliverables (collectively, the “Services” or the “Work”) and which are further described in TPS Purchase Order (“PO”) documents executed during the Term of this Agreement by an authorized representative from each party.

The PO associated with this Agreement shall contain: (i) a detailed description of the scope of Services or Work to be performed, (ii) the amount, schedule and method of compensation to be paid to Company by TPS; and (iii) the term of the PO, if different from the term of this MSA. The PO issued pursuant to this Agreement shall be deemed incorporated into and governed by the terms of this MSA, and the Company’s provision of Services shall be governed by this MSA as supplemented by the terms of the applicable PO. Where the terms of a PO conflict with the terms of the MSA, the terms of the MSA shall prevail, except to the extent that the PO expressly states that the MSA is to be overridden or modified with the prior written consent of TPS. No TPS financial obligation will arise without issuance of a PO.

TPS may at any time, in writing, make reasonable changes in the Work described in a PO. If any changes cause an increase in the cost of, or the time required for the performance of, any Work under a PO, an equitable adjustment shall be made in Company’s fee or delivery schedule, or both. Any Company claim for an adjustment must be asserted and approved prior to performance of the Services.

2. TERM

The term of this Agreement (“Term”) shall begin on the “Effective Date” and end on **June 30, 2017** (“Expiration Date”), unless sooner terminated as provided below. The “Effective Date” is defined as the date that a purchase order associated with a fully signed MSA is numbered and funds are certified by the Treasurer. If any PO is in effect at the time of the expiration of this Agreement, then as it applies to such PO only, the Term of this Agreement will be extended until the expiration or termination of such PO.

3. COMPENSATION AND PAYMENT TERMS.

Services or Work may be performed on a lump sum or time and materials basis, as set forth in each PO. Services or Work performed on a time and materials basis may or may not be subject to a guaranteed maximum price, as set forth in the PO. If no price is set forth in the PO, then the Work or Services shall be performed on a time and materials basis at the hourly rates attached hereto as Exhibit A. The services shall be performed as specified on Exhibit A.

- (a) The foregoing will be the entire compensation to be paid to Company and will be in full discharge of any and all liability in contract or otherwise with respect to all Services rendered by the Company and Company’s employees, subcontractors, agents, representatives, and directors (“Company Personnel”).

(b) All fees will be paid in U.S. Dollars and delivered to Company's principal place of business specified in the first paragraph of this Agreement.

(c) Payment terms are net 30 days from the date invoice is received by the District. No goods or services will be prepaid.

(d) Company's price (whether lump sum or time and materials) for the Services includes all federal state and local taxes including, without limitation, sales, use, excise, privilege, payroll and/or occupational taxes, any value added tax that is not recoverable by TPS and any other taxes, fees, and/or duties applicable to the Work and/or Services purchased under this Order.

Upon termination as provided below (except in the event of termination for default), all fees shall be payable on a pro-rated daily basis up to the date of termination and no installments shall be payable thereafter.

When any applicable law, rule or regulation makes any payment prohibited or improper or requires the payment of a reduced fee, the portion of the fee so affected shall not be paid or if paid shall be refunded to TPS.

TPS shall be entitled at all times to set off any amount owing at any time from Company to TPS in connection with this or any other agreement between Company and TPS.

All Services or Work performed on a time and material basis is subject to audit by TPS. The accounting records, receipts, vouchers and other documentation related to the Services and Work shall be kept on a generally recognized accounting basis and shall be available to TPS for audit at all times and shall be maintained for 6 years after completion of the Services and Work comprising each PO at the Company's principal place of business. The cost of the audit shall be borne by TPS, except that the Company shall pay such costs if the audit reveals any material discrepancy in the amounts charged.

4. INSPECTIONS, TESTING AND ACCEPTANCE.

All Services and/or any deliverables shall be subject to inspection and test by TPS at all times and places.

Acceptance or rejection of the Services and/or any deliverables shall be made as promptly as practical after delivery, but failure to inspect and accept or reject the Services and/or deliverables or failure to detect defects by inspection, shall neither relieve Company from responsibility for all requirements relating to such Services and/or deliverables nor impose liabilities on TPS for its failure to identify such defects.

If any of the Services and/or any deliverables under this Agreement, are found at any time prior to delivery to be defective, or otherwise not in conformity with the requirements of this Agreement, including any applicable specifications, TPS, in addition to such other rights, remedies and choices as it may have by agreement and/or by law, at its option and sole discretion, and at Company's expense may: (a) reject and return such deliverables; (b) require Company to re-perform/replace the non-conforming Services and/or deliverables with Services and/or deliverables that conform to the requirements of this Agreement; and/or (c) take such actions as may be required to cure all defects and/or bring the Services and/or deliverables into conformity with all requirements.

5.2 Unless a different period is set forth in the Purchase Order, the warranties in Section 5.1 shall apply for a period of twenty—four (24) months from the date Company completes its engagement. If any of the Services, Work and/or deliverables under this Agreement are found to be defective during the warranty period, then in addition to other rights, remedies and choices it may have under this Agreement or at law or equity, TPS, at its option and sole discretion, and at Company's expense may: (a) reject and return such deliverables; (b) require Company to re-perform/replace the non-conforming Services and/or deliverables with Services and/or deliverables that conform to the requirements of this Agreement; and/or (c) take such actions as may be required to cure all defects and/or bring the Services and/or deliverables into conformity with all requirements. Any attempt by Company to limit, disclaim or restrict any such warranties or any remedies of TPS, by acknowledgment or other wise, in accepting or performing this Agreement, shall be null, void and ineffective without TPS' written consent.
