Re: 2016-2017 Scholarship Application Materials

Date: October 2015

The 2016-2017 Judith Herb College of Education application is now available. To be eligible for a scholarship award for the 2016-2017 academic year, you must complete the application and furnish two recommendation letters from professionals in your chosen discipline and/or high school teachers or principals, college professors and/or advisors by Friday, February 26, 2016. This application form is only for scholarships awarded by the Judith Herb College of Education. Please note that if you were previously awarded a “renewable” scholarship, you must reapply for the year 2016-2017. Also please note that while a small number of scholarships are renewed automatically when a student continues to qualify and when funds are available, most are not automatically renewable. Whether or not your current scholarship is renewable, you must re-apply to be considered for an award for next year.

Please note that if you wish to apply for a University of Toledo scholarship that is administered outside the Judith Herb College of Education, you must follow procedures required for those scholarships. The Office of Student Financial Aid maintains a binder detailing all University scholarships. Feel free to visit their office (1200 Rocket Hall) for assistance or check out their web site at www.utoledo.edu/financialaid

To apply for a Judith Herb College of Education scholarship, please complete the following.

- Complete the application form—neatly, carefully, and completely.
- Obtain two letters of recommendation and attach to your application.
- Review the scholarship descriptions/criteria and complete the eligibility checklist.
- Using the form provided or separate paper, write an essay describing your professional goals.
- File a Free Application for Federal Student Aid (FAFSA).
- Submit all materials by **Friday, February 26, 2016**.

Please note that, with one exception, failure to comply with all the above requirements will disqualify you from consideration. You can still qualify for a scholarship without filing an FAFSA, but the range of scholarships available to you will be limited if you do not do so. You may mail your application and supporting documentation to Education Scholarship Committee, 3100 Gillham Hall, Mail Stop 914, The University of Toledo, 2801 W. Bancroft Street, Toledo, OH 43606-3390, or you may drop off your completed materials at the Student Service reception desk, 3100 Gillham Hall. Thank you, and good luck.
